Just when you think you've found out who the characters are and how they relate to each other, someone you've just met... dies!!! A detective leads the investigation, during dinner. The suspicious characters are spread throughout the room, sitting at the tables with you. Do some of them work with you? The jokes fly non-stop! The action is fast and furious! The suspense is unbearable! Finally... you get to sift through the tangled web of clues and evidence and see if you can figure out...

WHODUNIT?!

High-profile and outspoken members of the audience can be incorporated into the mystery, put under suspicion, and embarrassed, sufficiently, that everyone else has a great time!
(All in good fun... nothing devastating or humiliating!)

Different themes and formats can be incorporated to suit your requirements!
